Dreamer Dog's Horror Movie Classics Marathon 2013

Horror movies were a part of the cinematic art from the birth of the moving picture to today. From a silent movie to a terrifying modern picture, horror films uncover our greatest human fears. During the golden age of horror, great actors and actresses portrayed many of the most terrifying monsters from literature. Actors such as Bela Lugosi, Boris Karloff, Lon Chaney Jr. and Claude Rains had long careers scaring the movie going public.
