

## Play Dough

- 1 (1 pound) package baking soda
- 1 cup corn starch
- 1 1/4 cups cold water
- 3 drops liquid food coloring

**In a large microwave-safe bowl**, combine baking soda and corn starch. Mix well. Add water and food coloring. Mix well.

**Cook** on high for 5 to 6 minutes, stirring every minute. Do not over cook. Mixture should resemble moist mashed potatoes. Turn out onto a plate. Cover with a damp cloth. Cool.

**Cook's Note:** Refrigerate water if necessary to achieve desired temperature. This recipe was made in a 700 watt microwave oven with a turntable.
