Dreamee Dog's Favorite 2000's Horror Movies

Dreamee Dog embraced Y2K style with spooky movies from the New Millennium. She found out that some things are too good to be true in *Coraline*, and fell into a world of fairies in *The Spiderwick Chronicles*. Dreamee Dog would never enter the *Monster House*, and got scared silly by the *Corpse Bride*. She went to work at *Monsters, Inc.*, and sailed the high seas of adventure in *Pirates of the Caribbean: The Curse of the Black Pearl*. Don't forget to indulge in spooky treats while you color and watch fur tingling scary movies.
